

Join us in Las Vegas, Nevada at the 2009 International Conference!

Don't Miss Your Chance to Learn About New Opportunities and Proven Practices to Drive Revenue!

The bright lights of the Vegas strip are the perfect backdrop for our 2009 International Conference. *Big Ideas. Best Practices. New Programs.* For three days in August, the 13th through the 15th, leave behind the "status quo" and expand your mind as you prepare your road map for the year ahead.

Move into the Fast Lane and turbo charge your team to dominate new opportunities that drive revenue and profitability - even in challenging economic times.

Here are just a few of the highlights:

- Exclusively branded technology that enables you to sell more training and save you money.
- Discover the opportunity that lies within an economic downturn.
- How new funding sources are filling classrooms today for those who know how to access it.
- How to generate more leads and better align your sales & marketing efforts to create a powerful new revenue team.
- Social Media: Twitter, Facebook, MySpace, Blogs, RSS Feeds.....what is it, how does it work and most importantly....how can you make money with it?
